ALLISON SANTHOUSE, RPA-C
LICENSED PHYSICIAN ASSISTANT

120 East 86 St. 2nd Floor ~ New York, NY 10028 ~ (212) 427-2000

Tips for choosing a new healthcare plan:

1. Is the coverage offered by the health insurance plan as extensive as you would like it to be?
2. Is the choice of doctors and hospitals too restricted or does the plan offer you a fairly wide choice?
3. Compare the cost of service of different health insurance plans that offer the same benefits.
4. Compare the extra expenditure you will have to make on premiums and other health care costs.
5. Look into the policies regarding any chronic health conditions or disabilities that you or your family members may have.
6. Check out the policy coverage for you and your family members if you travel a lot or spend time at two homes.

It has been and remains our eternal goal to provide the highest quality medical services to all our patients. In that effort we are now offering complete and comprehensive care covering all aspects of medical and cosmetic Dermatology.

We have assembled a superior team to provide this care. Allison Santhouse, RPA-C is a Board Certified, NY State Licensed Physician Assistant who trained at Weill Cornell Medical College. All dermatological services are supervised by Debra Jaliman, MD, a well known and established Board Certified Dermatologist with over two decades of experience. We invite you to visit her website at www.jaliman.com to read about all of her accomplishments which are too numerous to list here.

All of our Dermatology services will be offered at our luxurious, state of the art, fully accredited facility located at 931 5th Avenue, between 74th and 75th Street.
